### IN OUR PRAYERS

Please keep Shelia Hennes to your prayers. She fell twice in September and has lost her ability to move. She is currently in a post-acute unit in La Mirada with a Staph Aureas infection in her spine which requires about 6 or 7 weeks of antibiotics. Her pain level remains high.

Prayers to end the violence and killings against each other happening in our local cities, other US States, and our World.

Compassion for those people living under the cloud of fear because of the color of their skin.

Continued prayers of peace and reconciliation between our Political Parties in the United States.

Prayers of peace and reconciliation for Ukraine, Russia, Gaza and Israel.

Prayers for those in foreign lands affected by earthquakes, wildfires and landslides.

Prayers to end our World's hunger and starvation.

Continued prayers for all those in the USA affected by the current weather and natural disasters – the dangerous heat levels, the rains and flooding, wildfires, dust storms, and tornados and hurricanes on our shores.

Prayers for those in foreign lands affected by earthquakes, wildfires and landslides.

Prayers to end our World's hunger and starvation.
